

GENERAL MANAGER WATER CONSERVANCY DISTRICT

The Lower Arkansas Valley Water Conservancy District based in Rocky Ford, Colorado, is seeking a General Manager. The General Manager, under the general policy direction of the Board of Directors, supports strategic planning process and plans, organizes and directs administrative, financial, legislative, personnel, and operational activities of the LAVWCD.

The mission of Lower Arkansas Valley Water Conservancy District is to acquire, retain and conserve water resources within the Lower Arkansas River. To encourage the use of such water for the socio-economic benefit of the District citizens. To participate in water-related projects that will embody thoughtful conservation, responsible growth, and beneficial water usage within the Lower Arkansas Valley, including the acceptance of conservation easements, with or without water.

Minimum Qualifications: BA or BS degree in Business Administration, Public Administration, or an area of study related to District operations; eight or more years' experience managing work in a field related to water resources and business or public administration. An equivalent combination of related education or experience may be considered.

The LAVWCD will provide benefits as shall be negotiated; annual salary will be dependent on experience and qualification as shall be negotiated.

A copy of the entire job description is available on the District website at LAVWCD.com.

Email resume, cover letter, and 3 references in confidence to jmills@lowerark.com; to be received no later than COB, 1 June 2021.
